Dear Mr. Otte:

We are pleased to let you know that the Minnesota Pollution Control Agency (MPCA) staff has reviewed your application for Composting of Petroleum Contaminated Soil. The information submitted in your application meets the applicable criteria in the composting general permit. The MPCA approves the composting of the 4000 cubic yards of petroleum contaminated soil at Compost Facility ID: 11730, as indicated in your application dated May 16, 2014.

Please include the Compost Facility name, location, Compost Site ID#, Leaksite name, and Leaksite ID# on all correspondence concerning this Compost Facility. If you have any questions, please contact me at 651-757-2838.

Sincerely,

A handwritten signature in blue ink that reads "Gary Zarling".
